

Come Join Us...

The Model "A" Restorers Club (MARC), founded in 1952, holds as its aims the encouragement of members to acquire, restore, preserve and exhibit the Model "A" Ford. And most importantly, to enjoy the fellowship of other Model "A" Ford owners around the world.

The Hudson Valley Region Model A Restorers Club was established in 1958 and is one of the premier clubs around. There is a great deal of satisfaction that results from restoring a Model "A" to its original beauty, usefulness and dependability. There is also a great deal of pleasure simply in owning one. It is truly your opportunity to put creation into your recreation. Our Club meets once a month, so we invite you to come and enjoy a good time with some of the most knowledgeable people in the industry of restoration.
